**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am about to get fiber optic internet installed in my home and I need a different internet provider other than Timewarner or Comcast. I give my money to Sonic Internet service because they have better customer support and the prices are better.

I support broadband competition, don't take it away please.
